
MONTREUX Care & Cleaning Guide

Prompt cleaning is always recommended. For best results follow cleaning steps precisely.

Ordinary dirt and stains can be removed with a mild soap and water.

1. Spot clean the soiled area with the above mentioned soap and water mixture.
2. Dab with a lint free cloth until semi dry. DO NOT rub the cleaned area!
3. Leave the cleaned area to air dry, or dry quickly with the warm setting of a hair dryer.

Do not use any concentrated household, ammonia/chlorine or bleach based cleaners.
